

Ecolink Consultancy Services

Background

We are a professional team of trainers, social workers, researchers, and therapists engaged in substance use prevention and treatment services, both in India and internationally. Registered under GST in India (29ABRPT137ON1ZR) and Professional Tax (1041702504), we bring global expertise to local challenges.

Who We Are

Ecolink Institute is an international award-winning service provider for training, capacity building, consultancy services, monitoring, research, and evaluation. As an approved training provider of the Colombo Plan Drug Advisory Program, endorsed by WHO, UNODC, and other international agencies, focus on professionalizing the addiction workforce both in prevention and management. Our research wing is involved in consultancy services, monitoring, and evaluating community-based and institutional projects.

Our Services

01 Capacity Building

We have trained over 600 professionals through a six-month certificate program culminating in licentiate credentials under GCCC and ICUDDR.

02 Consultancy for Addiction Programs

Supported over 50 treatment centers and collaborated with leading universities like Manipal, Yenepoya, and Martin Luther Christian University.

03 Project Evaluations

Delivered short-term and long-term evaluations for NGOs and institutions across India and Sri Lanka, with published reports in international media.

04 Specialized services

- Project Monitoring & Evaluation
- Research & Data Services
- Impact Assessments
- Feasibility Studies
- Proposal Development
- Annual Reports
